

Installation

1. Log into your Jira instance as an admin.
2. Click the admin dropdown and choose **Add-ons**.
The `Manage add-ons` screen loads.
3. Click **Find new apps** from the left-hand side of the page.
4. Locate **excentia Admin Tools for Jira** via search.
The appropriate app version appears in the search results.
5. Click **Install** to download and install your app.
6. You're all set!
Click `Close` in the '`Installed and ready to go`' dialog

To find older **excentia Admin Tools for Jira** versions compatible with your instance, you can look through our [version history page](#).
