

Installation

1. Log into your Confluence instance as an admin.
2. Click the admin dropdown and choose Add-ons. *The Find new add-ons screen loads.*
3. Locate SonarQube Connector for Confluence.
4. Click Free trial to download and install your app.
5. **You're all set!** Click Close in the *Installed and ready to go* dialog.

To find older SonarQube Connector for Confluence versions compatible with your instance, you can look through the [version history page](#).
