

Report

excentia Admin Tools incorporates detailed information about Jira for its administrators.

A report page has been developed in order to provide useful, usable and actionable information in a visual way.

Access the report page to find all these data about your Jira Instance.

- 1. Choose **blocked URL** > Manage Apps
- 2. On the left-hand panel, you'll find EXCENTIA ADMIN TOOLS panel
 - a. Click 'Report'
- 3. Navigate through the Report page to find all the details about your Jira instance
